MY PROGRAMS: Click here to view all of the programs you have purchased and have access to. This example shows Self Devotion and lists all the programs I have available. On the right hand sidebar is where you access each program (the green buttons) that you have access to with your membership level.

This is an example of the **28 Day Transformation Homepage** you will come to once you click the 28 Day program on the right hand sidebar. You will click on Welcome to get started and then Each Week you will have access to the weekly materials as we go through the program. Access is not given for the group program until the Preview Call Date unless otherwise requested. This allows us to move at the same pace as a group. If you would like access before, just send me a message. Each Program will have their own homepage where you can access and download your program materials.

This is an example of the Winter 11 Day Eat Clean Home Page. When you scroll down you will be prompted to download all of your materials right to you computer.

Q & A CALLS SCHEDULE FOLLOW UP

You can also access current and archived Q & A CALLS as well as SCHEDULE FOLLOW UP appointments here. Remember the first time you purchase your lifetime membership for each program, the 28 Day or the 11 Day Seasonal Eat Clean, your 20 minute breakthrough Session is included at no extra cost to you. Should you choose to schedule a follow up after that, you have the option to schedule a 20 minute session at \$25. You can also do that through this link.
